

We are recruiting Directors

Equality Action (formerly Human Rights & Equalities Charnwood) is looking for new volunteer directors to join the board.

Our mission statement is to promote equality and diversity, dignity and respect through inclusion. We are striving to tread a new path in providing a service that is relevant to the needs of a modern society, self-sustaining and financially robust.

Previous experience of charity involvement is not essential, but it is important that you have a genuine interest in our work. We would very much like to hear from people with strong backgrounds in organisational leadership and development, finance, fundraising and income generation, business development, and community development. We are especially keen to find someone with financial experience to assist our current Treasurer.

If you feel you have something to offer then we'd love to hear from you.

Get in touch for our Directors Information Pack
